Rev Secy I don't see why it should not be sanctioned. The management temple attracts a large amount of pilgrims and the same levy and other arrangements under the management are still capable of improvement. A levy like this will add to the available funds and will ensure that the arrangements can be under better

OFFICE OF THE DEPUTY COMMISSIONER,
MYSORE DISTRICT,

Dated, Mysore, ...24th/26 November 192 4.

From

A. V. Ramanathan, Esq., B.A.,
Deputy Commissioner, Mysore District.

To

B. Nagappa, Esq., Bar-At-Law,
Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.
Local and Legislative Departments

Sir,

With reference to your letter No L.C.S/41. dated the 11th June 24 forwarding for the report of the President of the Town Municipal Council of Nanjangud a letter received at the Secretariat from Mr.M.Venkatakrishnaiya, regarding the sanitation of the Nanjergud Town, I have the honour to submit herewith in original letter No.94 dated the 30th September 1924 received from the President of the Council together with its enclosure.

The Council are unanimously of opinion that a Pilgrim tax of half anna should be recovered from each Railway Passenger coming into the town from all Railway Stations beyond Kadakola.

When I visited the place last, the difficulty and inconvenience involved in such a proposal were clearly explained to the Councillors. But they are of opinion that as the place is one of great sanctity and as the piligrims resort to the place from distant places and out of great devotion, it is very unlikely that any one would object to the small payment proposed. As the tax will be levied by an addition to the prescribed Railway Fare for Nanjangud, there will be no difficulty in collecting it.
